

# AREA COOPERATIVE EDUCATIONAL SERVICES

## Health Insurance Collaborative

### Mission Statement

To create a coalition for health insurance among ACES member districts. The combined buying power of our towns, school boards and non-profit agencies should allow us to continue providing a high level of benefits while avoiding spikes in insurance premiums.

### Vision

*"We're designed to support local school districts to do things more efficiently, and one of the needs they've had for a long time is the escalating cost of health insurance."*

*- Tom Danehy, ACES Executive Director*
